iPads in the Primary classroom
for language learning.

“Plan”

- Why?
- Know your iPad
- Great features for accessibility and language learning
- Scenarios

Principles of learning:

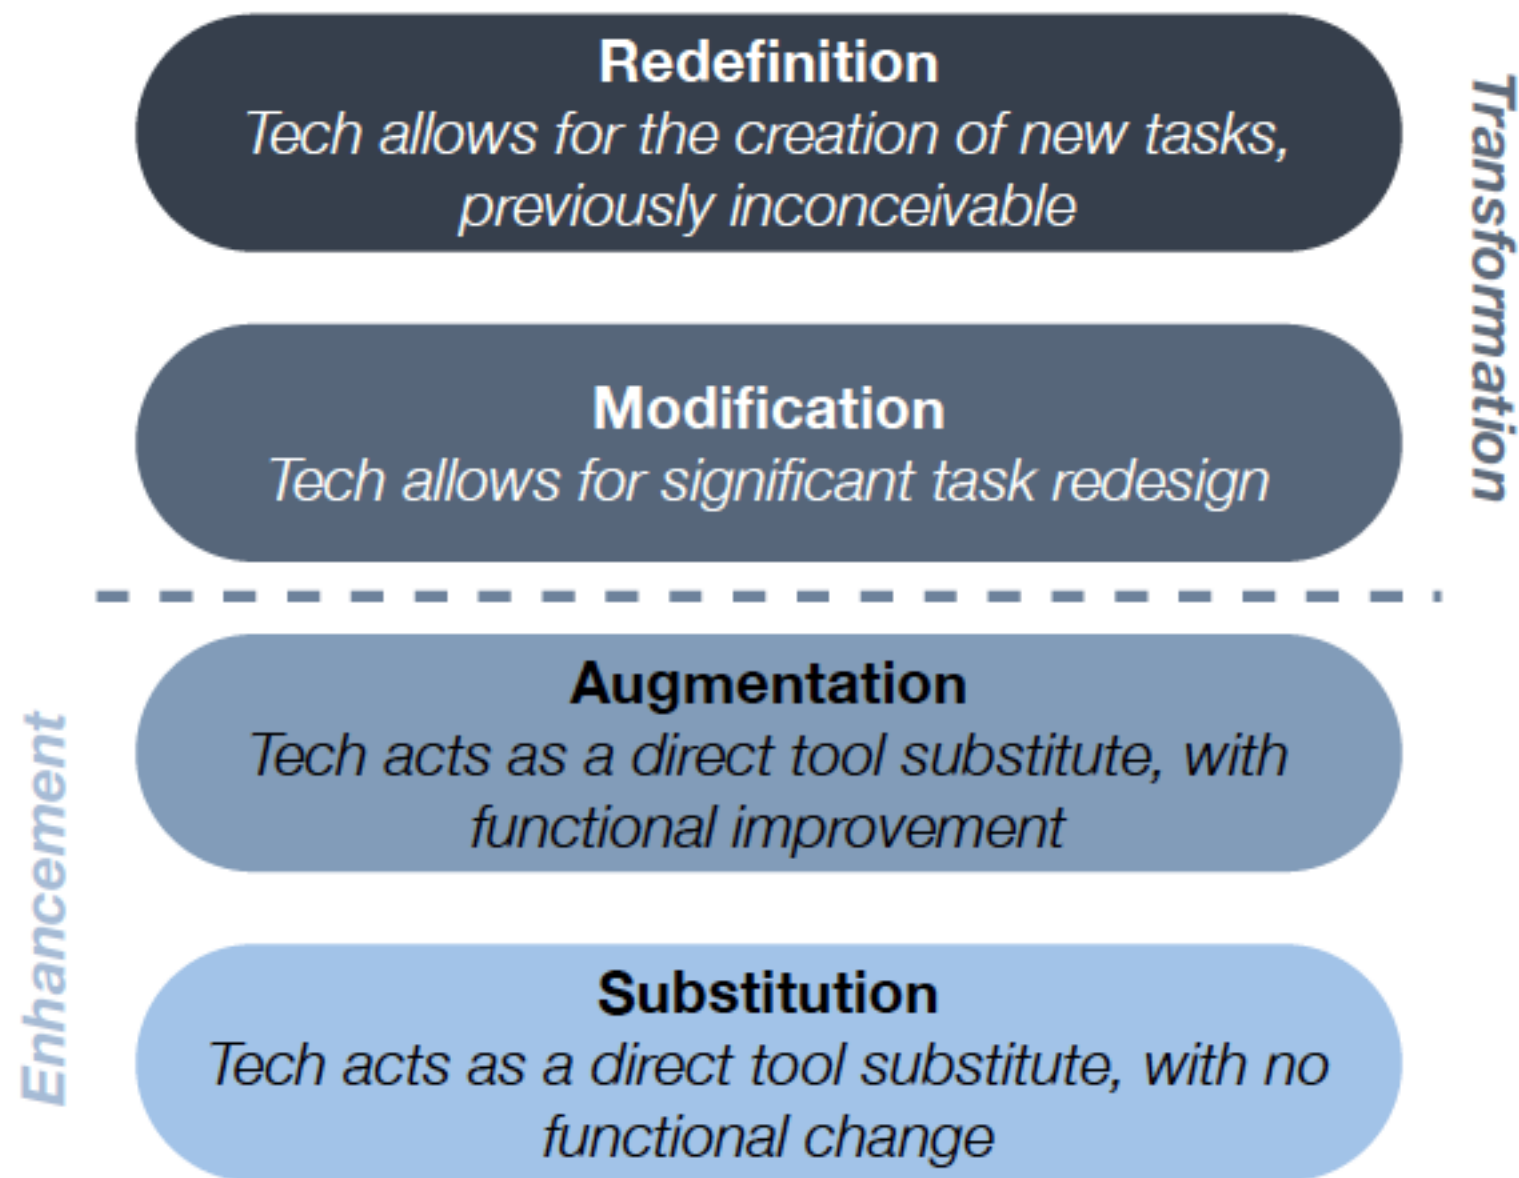

A foundation for transforming K-12 education.

- Being literate is at the heart of learning in every subject area.
- Learning is a social act
- Learning about learning establishes a habit of inquiry important in life long learning.
- Assessing progress is part of learning.
- Learning includes turning information into knowledge using multimedia.
- Learning occurs in a global context.
